Dear Sir or Madam:

I previously submitted notice of change of name for committee treasurer for NWPS Employee's PAC, FEC C-00187799. Please send all forms and reports to me at the above address.

Would you also confirm my position to the department that issues passwords for on line reporting. I have requested a password and they indicated that they need confirmation from you that I am the treasurer of our PAC.

Please let me know if you need any additional information.

Yours truly,

Don Oberlander, Treasurer
