October Monthly Report (9/1/2012 - 9/30/2012)

Dear Mr. Butler:

Please be advised that Republican Mainstreet Partnership PAC reported \$5,000 to Illinois House Victory Fund on 9/12/2012. This joint fundraising committee contribution was reported correctly on Line 23. The participants of this joint fundraising committee were NRCC and Illinois State Party-Federal.

To clarify the situation, RMSP PAC intended this \$5,000 for the joint fundraising committee. As such, there is no amendment required by our Committee.

Please let us know if you require further information or clarification.

Sincerely,

Sarah Chamberlain
Treasurer
