

TO Marlene Daughtrey - I'm writing on behalf of Wisbankpac in response to the FEC letter dated February 27 2009 regarding wisbankpac Amended 30 day post-general report. In your letter you indicated the contribution from Dennis Kuester was missing an aggregate year to date total. This was a database error that has since been corrected. Wisbankpac submitted amendment 2 for the 30 day post general report on March 27 2009 that shows the aggregate year to date total for Dennis Kuester. We appreciate your drawing this to our attention and the assistance over the phone on March 5 2009. If you have questions or need additional information please contact me at 608.441.1206. Thank you.
