After an internal review of its PAC's FEC reports, it was determined that the balances on the PAC's FEC reports did not reconcile with the amount on the PAC's bank statements. Upon completion of the review, it was discovered that certain contributions were mistakenly and inadvertently omitted from the original reports on which the contributions should have been included. Pursuant to conversations with our FEC reports analyst, comprehensive amendments have been filed to those reports to include the omitted contributions. The beginning 2009 calendar Year-to-Date balance has been adjusted to reflect the additional transactions contained in the amended reports. To the best of our knowledge, we believe the remaining adjustment amount involves transactions that occurred prior to the year 2000 and we are unable to identify the specific sources of the remaining amount. The accounting adjustment included in this report reconciles the balance on the Year-End FEC report with that of the bank statement.
