IDENTIFICATION NUMBER: C90004185

REFERENCE: OCTOBER QUARTERLY REPORT (7/1/10 - 9/30/10)

Dear Filer:

This letter is prompted by the Commission's preliminary review of the Report of Independent Expenditures Made and Contributions Received (FEC Form 5) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** Additional information is needed for the following 3 item(s):

1. Line 7 of your FEC Form 5 filing discloses disbursements made for independent expenditure(s). However, no contributions are disclosed on Line 6, "Total Contributions." Each contributor who made a donation in excess of \$200 used to fund the independent expenditure(s) must be itemized on Schedule 5-A, including their identification information. Please amend your report to provide the missing information. (11 CFR §§ 109.10(e)(1)(vi) and 114.10(f))
2. Your 24 and 48-hour reports, filed from 7/30/10 through 9/30/10, disclosed independent expenditures that do not appear on Schedule 5-E of your quarterly filing (see attached). Please amend your report to include these expenditures or provide an explanation of this apparent discrepancy. (11 CFR § 109.10(b))
3. Your quarterly report discloses independent expenditures that do not appear on 24 and 48-hour reports (see attached).

Commission regulations require that you file 48-hour reports once you make independent expenditures aggregating \$10,000 or more with respect to a given election during the calendar year up to and including the 20th day before the election. The report must be received at the Commission 11:59 p.m. Eastern Standard/Daylight Time by the second day after the communication was publicly distributed or otherwise disseminated. In the report, you must include

information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$10,000 or more, you must file another 48-hour report disclosing these independent expenditures. (11 CFR § 109.10(c) and (e))

In addition, you are required to file 24-hour reports once your independent expenditures aggregate \$1,000 or more after the 20th day but more than 24 hours before 12:01 a.m. of the day of the election. The report must be received at the Commission by 11:59 p.m. Eastern Standard/Daylight Time of the day following the date on which the communication was publicly distributed or otherwise disseminated. In the report, you must include information for all independent expenditures that have not been previously reported. Each time you make subsequent independent expenditures relating to the same election that aggregate \$1,000 or more, you must file another 24-hour report disclosing these independent expenditures. (11 CFR § 109.10(d) and (e))

Please clarify the circumstances regarding the untimely disclosure of the independent expenditures in question.

Please note, you will not receive an additional notice from the Commission on this matter. Requests for extensions of time in which to respond will not be considered. Failure to comply with the provisions of the Act may result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1165.
