Identification Number: C00032334

Reference: Year End Report (7/1/01-12/31/01)

Dear Mr. Carlson:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Commission Regulations require that a committee disclose the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR §104.3(a)(4)(i)) Identification for an individual is defined as the full name, mailing address, occupation and name of employer. (11 CFR §100.12) Your report discloses contributions from individuals for which the identification is not complete.

You must provide the missing information, or if you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR §104.7(b)(1))

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the

contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2))
The request must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you shall either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR §104.7(b)(4))

Please provide the missing information or a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

-The totals listed on Lines 6(c), 7, 11(a)(iii), 11(c), 11(d), 15, 18, 19, 20, 21(a)(i), 21(a)(ii), 21(c), 22, 30, and 31, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your report discloses more than one Schedule H1. Please amend your report to include one Schedule H1 disclosing the proper allocation ratio for shared administrative and generic voter drive costs.

-Schedule H2 indicates the allocation ratio for NEDB01, NEPB01, and NELB01 was revised during the reporting period. Please provide the date of the fundraising program or event. In the case of a telemarketing or direct mail campaign, the "date" is the last day of the telemarketing campaign, or the day on which the final direct mail solicitations are mailed. 11 CFR

§106.5(f)(2) In the event that an excessive non-federal transfer was received, the excessive amount should be transferred back to your non-federal account.

-Schedules H2 and H4 disclose 100% non-federal activity. Please be advised that by definition, this activity does not qualify as a shared expense to be allocated between your federal and non-federal accounts. This activity should be itemized on a Schedule B for Line 21(b) of the Detailed Summary Page. Any reimbursement from your committee's non-federal account for any portion of this activity is not permissible and must be returned. Please amend your report to clarify this discrepancy.

-Please clarify all expenditures made for advertising on Schedule(s) H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

-On Schedule H4 supporting Line 21(a) of the Detailed Summary Page, you have failed to include the purpose for several joint expenditures to various vendors. Note that the unique identifying code for an event is not considered an adequate description of purpose. Please amend your report to include this missing information.

-Your EVENT YEAR-TO-DATE calculations for Administrative/ Voter Drive, SBM1, Victory Stampede, SBM2, SBM3, SBM4, SBM5, SRD, NEDB01, NEPB00, and State are incorrect. EVENT YEAR-TO-DATE totals for administrative and voter drive costs are derived by aggregating all disbursements during the calendar year for the whole Administrative/Voter Drive category. EVENT YEAR-TO-DATE totals for fundraising, direct candidate support, and exempt activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous EVENT YEAR-TO-DATE total for that category or event. This running EVENT YEAR-TO-DATE total should be disclosed after each disbursement is listed. Please amend your report by providing the correct EVENT YEAR-TO-DATE totals.

-Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your

report to clarify the following description(s): reimbursement. For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

-Schedule H4 discloses disbursements for SBM3, SRD, and SRD 2001 which are categorized as fundraising; however, Schedule H2 does not include the allocation ratios for this activity. Please amend Schedule H2 to disclose the omitted ratios.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division).
