Dear Mr. Boyce:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A supporting Line 15 discloses an apparent refund of a contribution(s) made to "MAC PAC." However, it appears that the disbursement of this contribution was not previously reported by your committee. Please amend the appropriate report(s) to disclose the original disbursement of the contribution(s) on Schedule B supporting Line 23 or 29 of the Detailed Summary Page, or provide clarifying information.

-Your report disclosed a category of financial activity that has been reflected on the wrong line of the Detailed Summary Page. Refunds of Contributions Made to Federal Candidates and Other Political Committees should be properly disclosed on a separate Schedule A, supporting Line 16 of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an

audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1397.

Sincerely,
