Dear Mr. Wetzel:

I have just submitted a 24 hour report for social media expenses for Mitch McConnell and Josh Hicks.

I recognize that this 24 hour report is late. As noted in my Form 99 message yesterday, we were having a lot of trouble on Monday and Tuesday between our payment processor and Facebook billing.

I've worked diligently this cycle to stay on top of the Facebook billing in order to complete timely 24 hour reports but was still delayed. I will make tweaks to our billing system going forward. It's a frustrating situation for sure.

Thank you,
Heather Mahoney
