

The political system and the Party bosses have conspired to keep the "Average Joe" off of the ballot, no one other than the party chosen, or fabulously wealthy individuals each with their own agenda and quest for power can gain nationwide ballot access. Corruption is the order of the day and the result is our \$777,000,000.00 President. When the average person is prevented from gaining access to the ballot our freedom is lost and most people refuse to even both voting.

Please confirm how I am to proceed when ballot access itself forces unconstitutional requirements upon a candidate.

If I am successful it will not be because of money which is the root of all evil, particularly in the American political system.

Kind Regards,
