This Form 99 Submission is in response to the Commission's letters date June 4, 2020, regarding the Committee's 2019 Year End, and 2020 April Quarterly Report. The Committee is in the process of conducting a thorough audit of all disclosure report filed. As a result a number of errors have been discovered, and will require multiple amendments. Several attempts have been made to begin filing amendments, beginning with the 2016 Year End, however the Committee is experiencing difficulties in getting the system to accept the Amendment. The Committee will contact the FEC to try to correct the problem experienced with FECfile, and begin filing amendments as soon as possible.
