Dear Sir or Madam,

Enclosed please find the FEC report for July 1 through December 31, 1993 for the American Dietetic Association Political Action Committee.

Recently, this office had an unplanned change in staff that has resulted in the late filing of this particular report. I have recently spoken with J.P. Andre in your office and he assured me that our recent late filings should not be a problem unless they become habitual. I want to assure the FEC that this is will not be a problem with our Political Action Committee in the future. We hope that there will not be any penalties levied against our Committee due to these unfortunate circumstances.

This office is taking steps to ensure that this type of mishap does not occur again. If you have any further questions, please contact David Gershik at 202/371-0500. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "David Gershik", written over a circular stamp.
