Dear Mr. Bonham:

On April 30, 2003, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your April 30, 2003 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Please note that in order to establish "best efforts" you must demonstrate that the follow up request for missing information is made no later than 30 days after receipt of the contribution. Please clarify when these requests are made by your committee.

An adequate response must be received at the Commission by June 11, 2003. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any

questions related to this matter, please contact Edward Ryan on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
