RE: Valero Energy Corporation Political Action Committee, ID #C00109546, July Monthly Report (6/1/09 - 6/30/09)

Dear Ms. Sinram:

We are in receipt of your recent correspondence concerning the above referenced report. Your letter states that the Schedule B of the report discloses one or more contributions which appear to exceed the limits.

Please note that the contribution made on June 25, 2009 to Lisa Murkowski for US Senate was inadvertently designated to the Primary 2010 election. The Murkowski Committee correctly designated the contribution to the General 2010 election. An amendment to the Valero Energy Corporation PAC report has been filed to correct the error.

Please let me know if you have any questions.

Sincerely,

Darrin Lim  
Assistant Treasurer
