Dear Ms. Parks:

We are in receipt of your letter dated February 28, 2003. Please note that the \$882.42 on Line 17 (listed as a "One Time Adjustment") represents a discrepancy that we discovered between the cash-on-hand reported to the Commission and the balance reflected in the PAC's bank records. Despite our diligent efforts, we have been unable to identify the specific source of this discrepancy, except we believe that the discrepancy likely stems from the disbursements made by the PAC. Thus, we are making this one-time adjustment to reconcile the FEC report with our bank records.

Please do not hesitate to call me should you have any questions (202)371-7007.

Sincerely,

Kenneth A. Gross
Treasurer
