Identification Number: C00024372

Reference: May Monthly Report (4/1/08-4/30/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 items:

1. Schedule H4 of your report discloses disbursements for the Administrative category which use a ratio that is inconsistent with the ratio disclosed on Schedule H1. The fixed ratio for the allocation of administrative, generic voter drive and exempt activity expenses by State, district and local party committees should be the same for the full two-year election cycle unless a Special election is scheduled during an odd numbered year. Please amend your report to clarify this apparent discrepancy.

Please note that if your non-federal account has overpaid your federal account because of this miscalculation, it will be necessary to immediately transfer these funds back to the non-federal account. While the Commission may take further legal action concerning any impermissible overpayments by the non-federal account, your prompt action will be taken into consideration.

2. Schedule B supporting Line 29 discloses \$3,000.00 in transfers to what appears to be a non-federal account of your committee. Please provide further clarification regarding this transfer(s) to your non-federal account.

You are advised that 11 CFR §102.5 prohibits a non-federal account from financing activity in connection with federal elections. If any of these disbursements were made to influence the election or defeat of specific federal candidates, the disbursements should be allocated accordingly and disclosed as either in-kind contributions on Schedule B supporting Line 23, independent expenditures on Schedule E supporting Line 24, or as coordinated expenditures on Schedule F supporting Line 25. 11 CFR §§104.3(b)(3) and 106.1 In addition, if your non-federal account has paid any expenditures which should have been allocated, you are advised to correct any non-compliance with 11 CFR §§106.6 and 106.7 and establish procedures to insure future compliance with allocation regulations.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1135.

Sincerely,
