

MISCELLANEOUS TEXT (FEC Form 99)

PAGE 1 / 1

I received a "failure to file" notification regarding the Pre-General reporting period. The Federal Election Commission website says, "Required by PAC/Party only if committee makes contributions or expenditures in connection with election during the reporting period (http://www.fec.gov/info/report_dates_2014.shtml#general_6).\" Since Americans For Logic did not make any contributions or expenditures in connection with any election during the Pre-General reporting period, the political action committee was not required to file the Pre-General report.
