RE: Reply to your letter November 1, 2010 with regard to our October Quarterly Report (07/01/2010 - 09/30/2010) ID #C99002396

Dear Mr. Buckley,

As per the telephone message I left with you today on your answering machine, every time we try to electronically submit the amendment to this report that you asked for, we get the following error message: BADFORMAT Invalid Superseded specification.

Please respond to my telephone message that I left explaining how we can electronically submit this amended report. In item 1 of your letter, to clarify the description of consulting that you asked us to amend the above referenced report for, the consulting was for "Grass Roots & Internet Advertising."

In item 2 of your letter, the reporting of our "Internet Fundraising" expense on Schedule B on the above referenced report is correct. Our fundraising emails and phone calls did not contain express advocacy and did not advocate the election or defeat of a named candidate. This should clarify our activity.

In item 3 of your letter, our Schedule B for the above reference report is accurate. None of our "phone/mail communication fundraising", were made on behalf a specifically identified federal candidates. All the fundraising expenditures listed were issue oriented and not advocating the election of defeat of a named candidate for federal office.

Sincerely,

Alan Gottlieb  
President
