Re: ID #C00254490, Year End Report 7/1/99-12/31/99

Dear Ms. Williamson:

This letter is per our conversation and in response to your letter regarding the description "voter registration" on Schedule H4 of our reports.

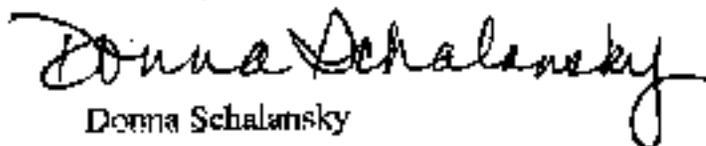

The disbursements described as "voter registration" are payments to individuals as well as volunteer organizations for registering Republicans. The California Republican Party has a voter registration program whereby they pay a certain amount of money for each Republican registered by the county parties. The Sacramento County Republican Party then pays these funds to individuals and clubs for the registrations they submit to us.

This voter registration program does not benefit any one candidate, federal or state, but is for the purpose of building the Republican Party in our county and in the State of California.

I hope this explanation will clear up any questions regarding our reports. Please advise us if we need to take any further actions on this matter.

Thank you for your assistance in this matter.

Sincerely,

Donna Schalsansky
