

This form 99 amends the 48 hour report (FEC-336335) filed April 25, 2008.

Two items were incorrectly included as co-ordinated expenses. Target Creative for \$11,905.10 and US Postmaster for \$13,791.52 were related to volunteer exempt activities.

These expenses were conducted on behalf of Louis (Woody) Jenkins, the republican nominee for the 6th Congressional district of Louisiana special election. As such these volunteer exempt activity expenses do not count toward the limits set forth for

co-ordinated expenses in a congressional race. These volunteer exempt activities will be properly disclosed on line 30b in the La. Republican party's April monthly FEC report.
