FEDERAL ELECTION COMMISSION WASHINGTON, D.C. 20463

May 8, 2009

Stan Huckaby, Treasurer National Republican Senatorial Committee 425 Second Street NE Washington, DC 20002

Response Due Date: June 15, 2009

Identification Number: C00027466

Reference: 30 Day Post-General Report (10/16/08-11/24/08)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. Failure to adequately respond by the response date noted above could result in an audit or enforcement action. Additional information is needed for the following  $\underline{4}$  items:

1. Schedule E of your report indicates that your committee may have failed to 24 one or more of the required 24 hour notices regarding "last minute" independent expenditures (see attached). A political committee must file a 24 hour report with the Federal Election Commission as specified in 11 CFR \$104.4(c), within 24 hours of any independent expenditures of \$1,000 or more with respect to a given election, made between two and twenty days before an election. The notice must be received by the Commission by 11:59 p.m. on the day following the date on which independent expenditures that aggregate \$1,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee. Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR \$104.3(b)

2. Your committee has filed a 24 hour notice for an independent expenditure opposing "Jeff Merkley," "Al Franken," "David Musgrove" and "James Martin" (see attached) which has not been itemized on Schedule E supporting Line 24 of the Detailed Summary Page. Please be advised that independent expenditures disclosed on 24 hour notices must also be itemized on a corresponding Schedule E <u>or</u> MEMO Schedule E and Schedule D (if applicable), in the appropriate reporting period. Further, if the actual payment(s) for the independent expenditure(s) occurs after the date of dissemination, the appropriate report(s) should continue to show payment on Schedule E and Schedule D, until the debt is fully extinguished. Please amend your report and any subsequent reports that may be affected by this correction.

3. Your committee filed 24 hour notices informing the Commission of independent expenditures made in support or opposition of federal candidates with "Crossroads Media," "Designated Market Media, LLC," "Majority Strategies," "On Message, Inc.," "Public Opinion Strategies," "Scott Howell & Company, Inc.," "The Tarrance Group," "Weeks & Co." and "Wilson Grand Communications" as the payee(s). However, the amounts and dates of public dissemination disclosed on these notices do not appear to correlate with the entries on Schedule E, supporting Line 24 for the reporting period. If your committee has filed 24 hour notices supporting independent expenditures not reflected on your reports, you must file Schedule E during the appropriate reporting period to disclose these payments. Please amend your report to clarify this discrepancy and provide further information concerning these notices.

4. Please clarify all expenditures made for "Fundraising Consultant," "Catering," "Equipment Leasing" paid to "Select Event Rentals," "Direct Mail Expense," "Printing," "Media Consulting," "Media Production" and "Postage" on Schedule B. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. Requests for extensions of time in which to respond will not be considered.

<u>Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.</u> If you should have any questions regarding this matter or wish to verify the adequacy of your response, please
