Reference: Amended July Quarterly Report (4/1/02-6/30/02), received 10/15/02

Dear Mrs. Smith:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The beginning cash balance of this report should equal the ending balance of your Amended April Quarterly Report, received 10/2/02. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The totals listed on Lines 6(c), 11(a)(iii), 11(d), 19, and 20, Column B of the Summary and Detailed Summary Page(s) appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

- Schedules A and B of your report disclose your committee has received apparent earmarked contributions for several federal candidates. Please be advised, if the contributions passed through your committee's account, then a notation must be made which states this and each must be itemized on Schedules A and B, regardless of the amount. In addition, if the earmarked contributions were forwarded in the form of the contributor's check, then a notation must be made which states this and they should be disclosed as MEMO entries on Schedules A and B, regardless of the amount. For disclosure purposes, the name and mailing address for each contributor
