

This letter is response to the Commission's request, in regards to the Committee's 2011 April Monthly Report.

The Commission notes that the Committee has reported limited administraitve expenses during the first quarter of 2011 on Schedules B and H4. The Committee disagrees with these assessment. The Committee has reported an average number of administraitive expenses, such as, but not limited to, salaries, consultant payments, office supplies and equipment, telephone, utilities, travel, etc. The Committee owns thier own building and thus does not pay rent. The Committee understands the requirements to pay administraitive expenses from the federal accounts and also understands the reporting of debts incurred. The Committee feels all items have been reported correctly.
