Re: Hybrid PAC – Non-Contribution Account

To Whom It May Concern:

Consistent with the stipulated judgment in *Carey v. FEC*, this committee intends to establish a separate bank account to deposit and withdraw funds raised in unlimited amounts from individuals, corporations, labor organizations, and/or other political committees. The funds maintained in this separate account will not be used to make contributions, whether direct, in-kind, or via coordinated communications, or coordinated expenditures, to federal candidates or committees.

Respectfully submitted,
