RE: 12 Day Pre-General Report (10/01/2012 - 10/31/2012)

In response to your RFAI dated April 9, 2013, the Communications Workers of America Working Voices has amended its report to reflect items noted.

However, the late filings of 48 Hour reports for Independent Expenditures on behalf of Pete Gallego and Francisco Raul Canseco were due to an administrative error. As soon as our compliance department realized the payments were for IE's, they took the necessary steps to report the disbursements.

We have since enacted new rules to prevent this sort of communication break down in the future.

Kind Regards,
