Dear Mr. McPeeters:

On June 7, 2000, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your June 15, 2000 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-The Commission acknowledges that you have redesignated your March 21, 2000 contributions made to "Friends of Duke Cunningham" and "Friends of Ronnie Shows" to the general election. However, you still need to provide the date that you notified the recipient committees of the redesignations.

Redesignations should be made within sixty days of the original contribution and reported as memo entries on Schedule B, supporting Line 23, of the report covering the period during which redcsignation is made. Please amend the appropriate report(s) accordingly.

An adequate response must be received at the Commission by July 19, 2000. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response

submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

If you should have any questions related to this matter, please contact Dominick Ciaraldi on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or our local number (202) 694-1130.

Sincerely,
