

FEDERAL ELECTION COMMISSION
WASHINGTON, D.C. 20463

RQ-2

James B. Martin, Treasurer
Mark Udall for Congress, Inc.
P.O. Box 729
Louisville, CO 80027

JAN 26 1999

Identification Number: C00331439

Reference: 30 Day Post-General Report (10/15/98-11/23/98)

Dear Mr. Martin:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule A of your report discloses a contribution(s) which appears to exceed the limits set forth in the Act (copies attached). You should examine all of your contributions to check for additional excessives. The Committee's procedures for processing contributions should also be reviewed.

An individual or a political committee other than a qualified multicandidate committee may not make a contribution to a candidate for federal office in excess of \$1,000 per election. A qualified multicandidate committee and all affiliated committees may not make a contribution(s) to a candidate for federal office in excess of \$5,000 per election. The term "contribution" includes any gift, subscription, loan, advance, or deposit of money or anything of value made by any person for the purpose of influencing any election for federal office. (2 U.S.C. §441a(a) and (f); 11 CFR §110.1(b), (e) and (k))

If the contribution(s) in question was not completely or correctly reported, you should amend your original report using the new or corrected information. If the contribution(s) exceeds the limits, you should either refund to the donor the amount in excess of \$1,000 or request a written

redesignation and/or reattribution of the contribution(s) from the donor. All refunds, redesignations, and reattributions must be made within sixty days of receipt of the contribution. Copies of refund checks and copies of letters reattributing or redesignating the contributions in question may be used to respond to this letter. Refunds are reported on Line 20 of the Detailed Summary Page and on a supporting Schedule B of the report covering the period in which they are made. Redesignations and reattributions are reported as memo entries on Schedule A of the report covering the period in which the authorization for the redesignation and/or reattribution is received. (11 CFR §104.8(d)(2), (3) and (4))

The acceptance of excessive contributions is a serious problem. Again, the committee's procedures for processing contributions should be examined and corrected in order to avoid this problem. Although the Commission may take further legal action, prompt action by you to refund or seek redesignation and/or reattribution of the excessive amount will be considered.

-Your committee filed 48 hour notices reporting the following "last minute" contributions:

<u>Contributor</u>	<u>Date</u>	<u>Amount</u>
Xavier Becerra	10/15/98	\$1,000
Effective Government Committee	10/15/98	\$2,000
National Committee for an Effective Congress	10/15/98	\$2,500
A. Michael Hoffman	10/21/98	\$1,000
Kristina Kiehl	10/28/98	\$1,000

These contributions do not appear on Schedule A of this report. Please amend your report to include these contributions or provide an explanation of these apparent discrepancies.

-Column B figures for the Summary and Detailed Summary Pages should equal the sum of the Column B figures on your previous report and the Column A figures on this report. Please file an amendment to your report to correct the Column B discrepancies for Line(s) 6(a), 6(c), 11(c), 11(e) and 16 and any subsequent report(s) which may be affected by this correction. Note that Column B should reflect only the year-to-date totals for the calendar year 1998.

-Schedule A of your report indicates that your committee may have failed to file one or more of the required 48 hour notices regarding "last minute" contributions received by your committee after the close of books for the 12 Day Pre-General Report. A principal campaign committee must notify the Commission, in writing, within 48 hours of any contribution of \$1,000 or more received between two and twenty days before an election. These contributions are then reported on the next report required to be filed by the committee. To ensure that the Commission is notified of last minute contributions of \$1,000 or more to your campaign, it is recommended that you review your procedures for checking contributions received during the aforementioned time period. Although the Commission may take legal action, any response you wish to provide concerning this matter will be considered. (11 CFR §104.5(f))

-For future reports, please be advised that loan repayments should be reported on a separate Schedule B supporting Line 19 of the Detailed Summary Page.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530. My local number is (202) 694-1130.

Sincerely,

Mary Beth deBeau
Reports Analyst
