Dear Ms. Roo:

On June 26, 2002, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your July 17, 2002 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response states that the following contributions were incorrectly reported as for the 2002 Primary Election and should have been listed as for the 2002 General Election.

Herger for Congress (3/20/02) \$1000.00
 Max Sandlin for Congress (3/18/02) \$1000.00
 Cardoza for Congress (3/15/02) \$1000.00

The memo text response you have provided is not adequate. Please be advised that to correct an election designation you should amend the entry for the original contribution to disclose the correct election. Please file an amended April Quarterly Report to correct the election designation of these contributions.

An adequate response must be received at the Commission by August 7, 2002. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in**

which to respond will not be considered. Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
