In response to the Commission's review of the June Monthly (05/01/17 - 05/31/17) and July Monthly Report (06/01/17 - 06/30/17), the Committee is filing amendments to the following reports to clarify the actual payment date of four disbursements.

JPM&M. Independent expenditure 24-hour notice filed on 05/23/17 is amended to reflect the payment disbursement date as 05/24/17 instead of 05/23/17. The disbursement, by wire transfer, was issued a day later than anticipated at the time the 24-hour notice was filed.

JPM&M. The June Monthly report is amended to correct the dates of the Independent Expenditure in the amount of \$ 12,122.43. Due to an inadvertent clerical mistake the date of public dissemination and the disbursement date were inverted.

NP Consulting Inc. Independent expenditure 24-hour notice filed on 05/27/17 is amended to reflect the payment date of 05/19/17 instead of 05/26/17. A deposit was issued to the vendor on 05/19/17.

JPM&M. Independent expenditure 24-hour notice filed on 06/02/17 is amended to reflect the payment date of 06/02/17 instead of 06/01/17. The disbursement, by wire transfer, was issued a day later than anticipated at the time the 24-hour notice was filed.
