Attention: Debbie Chacona, Assist Staff Director

Reference: July Report 5/30/2012 - 6/30/2012

Dear Ms. Chacona:

I am writing in reference to your letter written on July 10th, 2012, but postmarked July 31st, 2012 concerning July quarterly reports from 5/30/2012 - 6/30/2012. I called your office this morning and talked with a young lady about how there are no reports or no organization since I thought the first thing was to write and ask for a identification number and then you make out all of the paperwork to form the super pac that I was thinking of starting.

Since I did not hear anything back from the time of my original letter until I received your letter this past week, I assumed that I was not going to be getting an identification number, therefore I did not do the paperwork to form the committee, so there has been absolutely no activity whatsoever with the organization since it never was created.

After she explained to me how forming a super pak involved certain things that you had to do and since my situation changed since inquiring about an identification number, I would like to withdraw from forming a committee at this time and have since lost interest in wanting to do this.

Since no organization had been formed as of yet and not paperwork filed other than the letter for a number sent to you, I would like this letter being my request to withdraw from any further involvement in it and there has been no activated whatsoever concerning the forming of **RESTORE THE AMERICAN DREAM SUPER-PAC**.

Thank you for your time and patience in this matter.

Sincerely yours,

Walter D. Edwards
