Response Due Date:

Identification Number: C00001305

Reference: August Monthly Report (7/01/07 – 7/31/07)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule A of your report discloses one or more contributions from an organization, which is not a political committee registered with the Commission (see attached). Please be advised that the "Allen Victory Committee" terminated its registration with the Commission on 1/31/07. In addition, one or more of the contributions appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) precludes a political committee from receiving contributions from a person or another committee in excess of \$5,000 in a calendar year. Also, in order to make contributions to your committee, organizations which are not political committees must either: 1) establish a separate account which contains only those funds permitted under the Act, or 2) demonstrate through a reasonable accounting method that the organization has received sufficient funds subject to the limitations and prohibitions in order to make the contribution. 11 CFR §102.5(b)

If your committee does not finance non-federal activity, the receipt of the referenced contribution(s) may violate the limitations and prohibitions of 2 U.S.C. §§441a(f) and 441b. If your committee engages in both federal and non-federal activity, either through a separate non-federal account, or one account that finances activity in connection with both federal and

non-federal elections, your committee may be in violation of 11 CFR §102.5(a).

In order to be in compliance with the Act, your committee must: 1) refund to the donor or transfer-out to a non-federal account, the amount in excess of \$5,000 within 60 days of receipt and provide written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored. And 2) determine the extent to which your committee received funds that are not permissible, and refund or transfer-out the prohibited funds.

To the extent that your committee has received prohibited funds, you may have to make a refund. If within 30 days of receipt you (1) transferred the prohibited amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund, you may retain the contribution in an account not used to influence federal elections. Any request from a donor for a refund must be honored.

If the foregoing conditions for transfers to a non-federal account were not met within 30 days of receipt, the prohibited amount must be refunded. See 11 CFR §103.3(b)(1).

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. Should you choose to transfer-out or refund the funds, the Commission will presume the funds were impermissible, absent a statement from your committee to the contrary. Transfers-out and refunds should be disclosed on a Schedule B supporting Line 22 or 28 of the report covering the period during which they are made.

Although the Commission may take further legal action concerning the acceptance of prohibited and excessive contribution(s), your prompt refund or transfer-out will be taken into consideration.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**
