RE: ID #C00313700 February Monthly Report

Dear Mr. Bennett:

Thank you for your letter of May 3, 2022 requesting additional information regarding TU PAC's February 2022 Monthly Report.

On July 26, 2021, TU PAC sent a \$2,500 contribution check to Perlmutter for Congress (the "Campaign") via UPS. The UPS envelope was signed for and the check was cashed on July 27, 2021. TU PAC relinquished control of the contribution when it provided the check to UPS in an envelope addressed to the Campaign. We were subsequently notified by the Campaign that it had not received or deposited the contribution.

TU PAC investigated the matter internally and concluded that the check was sent via UPS in the normal course, and contacted both UPS and TU PAC's depository, US Bank (the "Bank"). UPS confirmed that the envelope was signed for, but informed us that the signature was illegible. The Bank also opened an investigation. Finally, we understand that the campaign contacted the Metropolitan Police Department to report the theft.

TU PAC also pursued a refund from the Bank. The long process of providing the Bank documentation to show that the check was stolen after TU PAC relinquished control was further delayed by the pandemic, and TU PAC only received the refund from the Bank in January. That refund from the Bank was reported on TU PAC's February 2022 report. In TU PAC's 2021 year-end filing, we reported the made contribution and documented the matter in a memo entry.

If you have any additional questions, please do not hesitate to reach out directly to myself or to our Custodian of Records, Laura Salameh at 202-923-5259 or Laura.Salameh@transunion.com.

Sincerely,

Jill Griffin
