Reference: Amended July Quarterly Report (4/01/02-6/30/02), received 5/24/03

Dear Mr. Redpath:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-The total listed on Line 21(a)(ii) Column B of the Detailed Summary Page(s) appears to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. Please amend your report and any subsequent reports that may be affected by this correction.

-Your calculations for Lines 21(c), Column A appear to be incorrect. FEC calculations disclose these amounts to be \$821,660.26. Please provide the corrected totals on the Detailed Summary Page.

-Schedule H4 of your report discloses voided or returned checks for expenditures made during this or previous reporting periods. However, you have failed to disclose a transfer-out for the non-federal portion of these voided checks issued for allocable expenses. Please provide clarifying information regarding the non-federal portion and, in addition, please clarify if and when these checks were reissued. If they were not reissued, please clarify the steps your committee has taken to account for the federal portion of these voided or returned checks in order to avoid the acceptance of a prohibited in-kind contribution.

A response or amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you need assistance, please feel free to contact me on our toll-free number, (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division). My local number is (202) 694-1130.
