Re: Keep The Promise PAC and Affiliated Committees – Submission of Form 1
Statements of Organization

To Whom It May Concern:

This correspondence issues on behalf of Keep the Promise PAC, Keep the Promise II and Keep the Promise III – newly-formed political committees that are submitting independent Form 1 Statements of Organization to the Commission in conjunction with this cover letter. Please be advised that each of the Keep the Promise entities registering with the Commission are affiliated with one another for legal and regulatory purposes. As such, Keep the Promise PAC will be affiliated with Keep the Promise II and Keep the Promise III. Likewise, Keep the Promise II and Keep the Promise III will be affiliated with Keep the Promise PAC as well as each other. We offer this clarification by way of cover letter because the individual Form 1s attached hereto only provide the necessary space for the listing of one affiliated committee. Be advised, however, that each of the Keep the Promise committees referenced in this correspondence plan on publicly recording all of their active affiliated via the Commission's electronic filing system following formal registration.

Thanks in advance for your time and attention to this matter. Should you have any questions or concerns about this correspondence or the registrations of any of the Keep the Promise entities, please do not hesitate to contact me at KeepThePromisePAC@gmail.com.

Respectfully Submitted,

Dathan Voelter
