Re: Mississippi Republican Party ID No: C00084368
December Monthly Report (11/01/03-11/30/03)

Dear Mr. Morse:

This letter is in response to your FEC notice dated January 21, 2004, regarding the above referenced report. The payments we made for Phone Bank and/or GOTV activity did not refer to any Federal Candidate. We had only State elections in MS in 2003. We had no Federal elections during 2003. Furthermore, the transfers of \$40,000 from our federal to our non-federal account was money used to pay salaries and state election activity only. We did not have any Federal Election Activity during this time.

Should you have any additional questions, please do not hesitate to contact me.

Sincerely yours,

Thomas B. Butchart, Treasurer
