Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

-Schedule B supporting Line 29 of your reports discloses disbursements identified as "Unitemized,Unitemized Mr." and "Unitemized,Unitemized." Please be advised that federal regulations require the itemization of all disbursements on Line 29 that aggregate greater than \$200 in the calendar year. Disbursements to payees on Line 29 that aggregate \$200 or less need only be disclosed on Line 29 of the Detailed Summary Page.

Please clarify whether the disbursements disclosed on Schedule B include any disbursements that aggregate greater than \$200 to a vendor/person in the calendar year. If this is the case, please amend your report by itemizing the disbursements to each vendor/person on Schedule B.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to
