RE: Campaign for Working Families (C00325076)

Dear Ms. Fleming,

We are in receipt of your letter dated March 28, 2008 regarding our Amended Year-End Report (7/1/07 - 12/31/07)

You requested we clarify a receipt disclosed on Schedule A, Line 17 from Pinnacle List Company. Pinnacle List Company is a list management company used by Campaign for Working Families (CWF) that handles requests from outside parties who wish to rent CWF's mailing list. The receipts from Pinnacle reported by CWF on its Year-End report reflect payments by Pinnacle resulting from the rental to outside parties of CWF's mailing list.

CWF charges a rental fee of \$115 per thousand names for its mailing list, a fee developed in consultation with Pinnacle, a list management company with wide experience in the field. This fee is well within the "usual and normal" charge associated with such rentals particularly given CWF's active and engaged donor base.

The second item is regarding limited payment for administrative expenses. All administrative expenses have been adequately reported in their entirety. We have included all payments but would note that the exclusion of utility payments is a result of them being billed directly to the landlord and are reflected as part of our monthly rental amount.

Sincerely,

Dorie Black
Assistant Treasurer
