Dear Mr. Hogan:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule B of your report discloses a total of \$18,500.00 in disbursements to American Athiests for "Repay deposit in error." 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election, except that a connected organization may pay for the solicitation and administrative costs of its separate segregated fund.

Please amend your report to clarify the nature of the transaction(s) in question and provide the date of the original deposit in your account. If the funds were deposited in your committee's account in error, the original receipt must also be disclosed on Schedule A supporting the appropriate line of the Detailed Summary Page on an amended report covering the period during which the receipt occurred. Although the Commission may take further legal action concerning this matter, your prompt action will be taken into consideration.

-On Schedule A supporting Line 17 of the Detailed Summary Page, your committee discloses receipts totaling \$2,722.50 from American Athiests, which is your connected organization. Please amend Schedule A by

providing the full name and address of the original source(s) for these receipts.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1399.
