Memorandum

PNCBANK

To: Cost Center Managers

Date: July 14, 1995

From: Barb Pochatko
Frank Altadonna

Tel: (412) 762-3319
(814) 871-3832

Subject: **End User Requisitioning**

During the third and fourth quarters of this year, PNC Bank will be implementing End User On-Line Supply Requisitioning. This will allow designated employees within each cost center to order supplies for three major product lines through the mainframe. These three major products lines are Office Supplies, Forms, and Promotional Items. Other products lines will be placed on-line next year.

The Pittsburgh market will convert to the new Material Request Process early in the fourth quarter. Each cost center will need to have at least three designated employees to order supplies. These should be the cost center supply coordinator, an alternate or an assistant manager and a manager. More employees can be added if desired.

In order to facilitate the system access security which will be required for this project, we are asking you to complete the attached form and send to local Purchasing. Please return the form to Local Purchasing no later than July 28th. You will receive further information and complete training materials prior to implementation. If you have any questions, please feel free to call.

If your cost center has more than one location, or if your are responsible for more than one cost center, please copy the attached form and complete a form for each cost center or location.

Thank you.
