Re: Nebraska Republican Federal Campaign Committee

Amended Year End Report (11/23/04-12/31/04)

This letter is in response to the commission's letter dated July 29, 2005, referencing the Amended Year End Report for 2004. The commission requested clarifying information on activity on Line 10 not disclosed on the original report.

When our committee filed the original Year End Report for 2004, we were unaware that a debt still remained to the vendor disclosed on the Amended Year End Report for 2004. During the time period covered by the Year End Report, we received a statement from the vendor reflecting the open balance, but our committee was under the impression the amount was a reflection of a previously paid bill. Upon further review of the account our committee realized the bill was in fact valid and due. The Year End Report was then amended to reflect the debt back to the actual date when our committee first received correspondence reflecting the debt. Subsequent reports have been amended to reflect the debt and related payments to the vendor.

If you have any additional questions regarding the matter, please feel free to contact our office.

Sincerely,
Jessica Moenning
