Dear Mr. Jones:

This letter is being submitted in response to the Request for Additional Information ("RFAI") dated November 16, 2016. The RFAI identified 4 potential excessive contributions on the October Quarterly Report (07/01/2016 - 09/30/2016).

After looking at each of these in the software we use for our FEC reporting, I see the contributions as summarized in the table below. It appears the 3 contributions below in the "2016 - Special Primary" column are shown in the RFAI as being associated with the "2016 - General." Likewise, the 1 contribution below in the "2016 - Primary" column is shown in the RFAI as being associated with the "2016 - General".
