Response to February 20, 2009 Letter regarding Year End Report
(10/1/09-12/31/08)

Items 1 & 2. An amended year end report for the 4th quarter of 2008 will be filed by April 22 to correct the calculations leading to the correct Column B totals and correct the ending balance. An amended 1st quarter 2009 report will then be done to correct the beginning cash on hand and the ending balance.

Item 3. An entry of Unitemized receipts under \$200 of \$56,000+ was listed incorrectly in the itemized schedule. It should have been listed on Line 11(a)(ii). These receipts were from small contributions from a major mailing and from activities at 5 weekly farmers markets and various events where donations for Obama paraphanelia were accepted. This will be corrected on the amended 4th quarter report to be filed by April 22.

Item 4. The expenditures reported on the 4th quarter report were for materials that urged the public to vote for the entire Democratic ticket in Arlington, Virginia - Obama, Biden, Senator Mark Warner, and local candidates for the County Board and for the School Board. Some of the expenditures were also to raise money to pay for these materials. The amended 4th quater report will reflect this information.
