Dear Mr. Grissom:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your report includes computer produced formats of Schedule A. Computer produced formats may only be used upon prior approval of the Commission. You should submit a separate sample format with a cover letter requesting approval. Until your format has been approved, FEC forms must be used. 11 CFR §104.2(d)

If the software your committee is using to produce the Schedules of the FEC FORM 3X does not allow you to electronically file your report, you may want to call the vendor who produced your software to inquire about the availability of a software upgrade that includes electronic filing. A number of commercial software companies have added electronic filing capability to their products. A list of these companies is available on the FEC web site, <http://www.fec.gov>.

Alternatively, freeware (FECfile) available from the FEC, can help you complete and file your reports electronically. It installs easily, computerizes every schedule in the FEC FORM 3X, contains features to

help you avoid common errors, allows you to file electronically, and has free technical support for your questions. You may obtain your free copy by downloading FECfile from our web site, <http://www.fec.gov>, or by calling the Electronic Filing Office at (202) 694-1307.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 1, then press 2 to reach the Reports Analysis Division) or my local number (202) 694-1135.

Sincerely,
