Reference: April Quarterly Report (1/1/96-3/31/96)

Dear Mr. Crawford:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule C of your report discloses a \$5,000 loan received by your committee on March 25, 1996 from your connected organization; however, no Schedule A is provided to support this receipt. Schedule D also discloses the addition of \$5,000 to the previous debt owed to your connected organization. The total of all debts and obligations owed by your committee on Line 10 of the Summary Page indicates that you may have reported this new \$5,000 obligation twice.

Additionally, Schedule B supporting Line 23 discloses a \$5,000 contribution to a candidate made on March 25, 1996. It appears that such a contribution could not have been made without the funds received into your account from the connected organization. 2 U.S.C. §441b prohibits a corporation or labor organization from contributing or expending funds for the purpose of influencing any federal election.

Please amend your report to clarify the purpose of the debt and/or loan owed to your connected organization including whether the money was used to make a contribution to a federal candidate. Although the Commission may take further legal action concerning this matter, your prompt action to correct this situation will be taken into consideration.
