Identification Number: C00032334
Reference: Mid-Year Report (1/1/99-6/30/99)

Dear Mr. Ciaraldi:

This letter is in response to the Commission's preliminary review of the report referenced above. Enclosed is an amended version of the report with corrections that attempt to alleviate the concerns of the Commission. An itemization follows:

- Schedule C is included to reflect the loan from the National Bank of Commerce Trust and Savings Association.
- Line 31 has been accurately recalculated to be $81,753.94 for Columns and A and B on the Detailed Summary Page.
- The occupation and employer have been provided for individuals who contribute more than $200. Although, written in the amended version our files have been updated to prevent this from being omitted in the future.
- An allocation ratio is included for DSM2 in Schedule H4.
- Some (SRD and SCC/EXEC) activities were deleted from Schedule H2 to reflect that no corresponding payments were made for the activity during the reporting period.
- Our Committee heeds the advice and will not list contributors with an aggregate total of under $200 in a calendar year on future reports.
- Transfers from our non-federal account that appear on Schedule H3 have been deleted from Schedule A.

Finally, the copies of the summary reports that are enclosed are not signed by our Treasurer De Carlson at this time because she is out of town for the holidays. Due to the urgency of responding, I am forwarding the unsigned copies now and will forward new-signed copies at the earliest opportunity. Please feel free to contact me at (402) 475-2122 with further clarifications if necessary. I appreciate your consideration in this matter.

Sincerely,

Ben Kiser
Executive Director
