Caroline DeBerry
Senior Campaign Finance Analyst
Reports Analysis Division
Federal Elections Commission
Washington, DC 20463

FEC Identification Number: C00394593

Reference: Amended July Quarterly Report (04/01/2013 – 06/30/2013)

This letter is in response to your letter dated September 30, 2013. Please see amended filing enclosed with this letter.

Item 2.

Our committee is aware that Commission Regulations require disclosure in regards to the identification of all individuals who contribute in excess of \$200 in an election cycle. We are also attentive to the fact that our report discloses contributions from those individuals for which identification is not complete. However, our committee attempted to obtain the incomplete information to the best of our abilities.

The procedures for requesting the absent information are described below:

Our committee's original solicitations include a clear request for the contributor's full name, mailing address, occupation, and name of employer. The request informs the contributor of the requirements of federal law for reporting of such information and clearly asks for the missing information in a clear and conspicuous manner.

For each contribution received aggregating in excess of \$200 per election cycle, which lacks required contributor information, such as the occupation or name of employer, our committee makes at least one additional follow-up request, without soliciting a contribution, after the receipt of the contribution in order to obtain the missing information.

13020530762

November 4, 2013

As in the past, our committee attempts to obtain the contributor's missing information through a written request within 10 days of the contribution where it is determined that the donor has exceeded the \$200 aggregate threshold. This written request does not solicit a contribution. This request informs the contributor, as in the original solicitation, of the federal law requirements for reporting such information. This request also includes a pre-addressed post card.

Upon receipt of the requested information, our committee updates our reports to incorporate the information received. In addition, our committee's database is modified with a memorandum entry stating the missing information was received and is adequately reflected.

Item 1.

None of these items were excessive contributions. Robert Belk, Edgar Bright Jr. Edgar Bright III, and Northrop Grumman PAC were data input coding mistakes and were contributions to the general, not primary, election. James Rogers and James Douglas Rogers are not the same person. Arthur Choate's refund was issued on July 5, 2013 and is included in the October 2013 quarterly report. Robert L Miller (08/22/11 contribution of \$1,000) and Robert Miller (08/01/11 and 06/05/13) are different people.

Please see the amended report filed with this letter

Sincerely,

William Vanderbrook, Treasurer
David Vitter for US Senate
