RE: American Society of Plastic Surgeons PLASTYPAC Year-End Report (7/1/2013 - 12/31/2013)

Dear Mr. Jones:

This Form 99 Miscellaneous Report is being filed in response to the March 6, 2014 Request for Additional Information from the FEC concerning American Society of Plastic Surgeons PLASTYPAC ("the PAC") Year-End Report (7/1/2013 - 12/31/2013). Specifically, the letter notes that the ending balance of the Mid-Year Report does not match the beginning balance of the Year-End Report and that there appear to be errors in the Column B figures of the Year-End Report. Please be advised that an amendment has been filed to the PACs Mid-Year Report and Year-End Report. The ending balance of the PACs amended Mid-Year Report matches the beginning balance of the PACs amended Year-End Report. Moreover, the Calendar Year-to-Date totals on the PACs amended Year-End Report are correct when calculated using the Calendar Year-to-Date totals on the PACs amended Mid-Year report.

On behalf of PLASTYPAC, we trust that this response fully and adequately fulfills your request for additional information.

Sincerely,

Dr. David Song, MD
Treasurer
