Dear Ms. Beaufort:

This letter is in response to your request for additional information, dated February 21, 2016.

1. Your letter indicates that the Committee disclosed one or more contributions that appear to exceed the limits set forth in the act. The Committee is aware of the contribution limits. In the case of an individual, if the contribution cannot be presumptively reattributed to a spouse or redesignated to a subsequent election, the Committee either sends a verified reattribution letter or refunds the excessive portion within 60 days of receipt. The Committee sends all presumptive reattribution and redesignation letters within 30 days of receipt and always gives the donor the option of making a change or requesting a refund. When the Committee receives contributions from other political committees that cause an excessive total, the Committee contacts the other political committee and requests a verified redesignation. If this is not received, the Committee issues a refund. The following is a response to each contributor listed in your letter:

Allan Abrams: The excessive portion has been redesignated to the General Election. This was disclosed on the February Monthly FEC report.

Jason Alleman: This contribution was charged back thru our online vendor. This was disclosed on the March Monthly FEC report.
