The Committee's response follows.

Schedule A-P

In accordance with 11 CFR 110, and as a part of its regular contributions screening process, the Committee reviews each contribution received for possible regulatory related issues. All contributions received by the Committee that exceed the contribution limits are reattributed, redesignated or refunded pursuant to the procedures and time frame limits set forth in 11 CFR 110.1(k)(3)(ii)B and 11 CFR 110.1(b)(3)(i). In addition, the Committee takes the additional step of noting, via memo text language associated with each such transaction entry, that the Committee is taking all reasonable actions to remedy any potential contribution limit issue.

We have reviewed the listing of contributors on the RFAI addendum titled "Excessive and/or Prohibited Contributions." Any necessary changes have been reflected on the August Monthly 2008 amended report filed on October 7, 2008. For all other relevant donors on the list, as noted in the memo text for each relevant transaction on the August Monthly 2008 report, a reattribution, redesignation, or a refund has been processed and those transactions were reported on the September Monthly 2008 report or will be reported on the October Monthly 2008 report.
