To Whom I May Concern:

I'm pretty sure that this memo will be lost among the flood of July 15 Quarterly reports, so I'll use this as a testing ground.

I hope you (the FEC filer) and you (the FEC watchdogs) are doing well. That's pretty much all I have to share for now.

Sincerely,
Danny Ben-David, Grand Poobah, Why Not ZoidPAC?

(If you didn't ignore these lines, and the ASCII art worked, then I'm pretty sure that's a first for the FEC as well.)
