

In response to the letter from senior Campaign Finance Analyst Ryan Lanz, dated October 10, 2007, please note that the unitemized receipts listed in the Committee's 2007 mid-year report do not include receipts from any single source that aggregate more than \$200 in the calendar year. In addition, future contributions to candidates for federal office will be included in the total on line 23. To the extent that any were included in the total on line 29, that inclusion was the result of an inadvertent error.
